

EduBH Program Overview: Padhai Se Rojgar Tak

In Partnership with Renowned Universities

I. Introduction

EduBH is an organization dedicated to integrating higher education with practical employment. Our tagline, "Padhai Se Rojgar Tak" (From Education to Employment), reflects our core philosophy. In partnership with Renowned University, we provide a unique platform for students to pursue a university degree while gaining professional experience and financial independence. This document provides a comprehensive overview of the EduBH mission, leadership, program benefits, and operational processes.

II. Mission and Vision

- **Mission Statement:** To make quality higher education accessible for every deserving student by partnering with reputed universities. We equip students with in-demand digital skills through hands-on training and real client projects, enabling them to learn and earn without financial barriers.
 - **Vision Statement:** To build a future where no student's potential is limited by the cost of education. We envision a global ecosystem where graduates enter the workforce with real-world experience, digital expertise, and financial independence, thereby shaping a new generation of skilled, self-reliant professionals.
-

IV. Program Benefits for Students

Pursuing a degree through the EduBH program offers several distinct advantages:

- **Course Fee Reimbursement:** We provide a mechanism for the reimbursement of course fees. **Earning Opportunity:** Students have a clear opportunity to earn while they learn.
 - **Experience Letter:** Upon completion of work tenure, an official Experience Letter is provided.
 - **Letter of Recommendation:** Deserving candidates can receive a Letter of Recommendation to support future endeavors.
